**1** Talk to us at The Massachusetts Immigrant Collaborative.

**2** They will help you navigate the scheduling process- get your contact information and add you to a call list.

**3** A phone bank attendant will call from an unknown number to schedule you an appointment within 2 days.

**4** You will receive a confirmation email.

**5** You will go to your vaccination site and get your COVID shot.

**6** If you need a second dose, you will schedule an appointment while on site by using a **QR code or getting assistance from a person at a kiosk.**

**Continue wearing your mask until further notice from the Centers for Disease Control!**
